- Being the chief executive of the work program of the Religious Division of BEM Faculty of Engineering

Pengalaman organisasi

Religious Division, Student Executive Board of Faculty of Engineering UMY (BEM KMFT)

Dec 2024 - Jan 2026

Member

BEM KMFT UMY is an institution that accommodates KMFT UMY students in an effort to realize benefits for the KMFT UMY community. The Religious Division runs programs aimed at increasing religious awareness and the practice of Islamic values among students, both through joint worship activities, religious studies, and Islamic value-based social activities.

- Contributing to the planning and implementation of religious work programs, such as routine studies, tabligh akbar, and Islamic social activities such as visits to orphanages and the Sharing Technique program.
- Establish cooperation with various parties, both internal and external to BEM KMFT UMY, to support the smoothness and success of the Religious Division program.
- Actively strengthen Islamic values in campus life and build a religious and inclusive environment in the Faculty of Engineering.
